Silhouette CAMEO®

SILHOUETTE-CAMEO-3-4T

The Silhouette CAMEO® is the ultimate DIY machine. It uses a small blade to cut over 100 materials, including paper, cardstock, vinyl, and fabric up to 12 in. wide. The CAMEO has the ability to register and cut printed materials and is PixScan™ compatible. What does this mean for you? It is our machine that has the largest cutting space and is most versatile in the materials it can cut.

- Cuts a variety of material including vinyl, paper, cardstock, fabric, and other materials up to 12 inches wide and 10 feet long.
- Plugs into your home computer and uses the powerful Silhouette Studio® design software to create your projects.
- Features a dual-carriage for multi-tool use and a higher 2 mm clearance to cut thicker materials.
- Is the only Silhouette compatible with the self-adjusting AutoBlade.
- Features or is compatible with Bluetooth® technology for wireless cutting.
- Is compatible with Print & Cut and PixScan™ technology.
- Includes Silhouette CAMEO® cutting machine, Silhouette Studio® software (download from silhouetteamerica.com), power cable and USB cable, 12-Inch Cutting Mat, AutoBlade cutting blade, one month Basic Subscription to the Silhouette Design Store, crosscutter, and 100 FREE digital designs (via emailed code).
